HB 2325 - SB 2303

March 18, 2005

SUMMARY OF BILL: Requires the Commissioner of Commerce and Insurance to serve on the Controlled Substance Database Advisory Committee; Authorizes the Committee to discipline a legend drug dispenser who fails to respond to two specific requests, instead of one such request, for information; Requires the Committee's annual report on controlled substance monitoring program to be made to the House and Senate Judiciary Committees.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- A not significant decrease in state revenues from not collecting civil penalties to the extent that persons who would be disciplined for not responding to one request will not be disciplined unless they fail to respond to two requests.
